

can help raise
funds for
our school

***McDonald's McTeacher's Night
means money for education!***

Teachers will be there to welcome you and help out around the restaurant. The more people who come to eat, the more money will be raised.

You can participate in McTeacher's Night by simply joining us to enjoy your favorite McDonald's meal. That's how we raise funds! A portion of the night's sales will go directly to school programs.

Bring your family and friends to McDonald's for this unique fundraiser – more meals means more money for our school!

support our school
by visiting McDonald's on
